July Event Information

Out Girls will be on Summer Break in July

Out Girls began as an offshoot of our women's support group, designed to be a relaxed, social gathering that is open to all lesbian, bisexual, and allied women of our community. Gloria Weberg, Out Girls moderator, has decided to take a short break for the month of July. She will be picking a venue for the August Out Girls soon, and it will be posted to the website as soon as a final decision is made. Hope to see you all in August!

Drop-Ins and Newcomers are always welcome!

If you have not attended Out Girls before, this will be a great chance to meet everyone and participate in dynamic conversation. If you come regularly, this might be a good time to invite others who may be interested in being part of one of the Center's most successful offshoots.

If you are planning to attend in August once a venue has been chosen, please RSVP, or if you'd like to make contact before the event, Gloria would welcome an e-mail at webergglo@aol.com. If you have any questions, suggestions, or need more specific directions, please contact Gretchen at the OAC (269-985-9622), or e-mail her at davisga@outcenter.org.

The Center wants to make sure that everyone can attend, so anyone with limited funds is encouraged to call or e-mail Gretchen for information on a social activity grant for the evening.
